

Narara Valley High School

Project update

October 2025

Image: example creative and performing arts space

Investing in our schools

The NSW Government is committed to expanding high potential and gifted education (HPGE) opportunities in NSW public schools. This includes a multi-million dollar investment into the HPGE Partner School Program.

Under the program, 33 high schools including Narara Valley High School will receive facility upgrades to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE offerings.

Progress summary

Following our [update in June 2025](#), we are in the process of engaging design services and are likely to start concept planning in Term 4.

Area	Stage
 redevelopment of the sports field and upgrades to the sport court	Planning
 refurbishment and upgrade of the creative and performing arts (CAPA) facilities in Building U	Planning
 upgrades to the assembly quadrangle area	Planning
