

Sarah Redfern High School

Project update | June 2025

Dear staff, parents and carers,

The NSW Government is committed to delivering high potential and gifted education (HPGE) in every school by investing an additional \$50 million into the HPGE Partner School program. This is in addition to the \$50 million investment in the 2024/25 NSW Budget which has already started to benefit 13 high schools across the state.

Under the program, Sarah Redfern High School will receive facility upgrades to accommodate increased enrolments, broaden educational opportunities and facilitate the delivery of tailored HPGE course offerings.

Project overview

The upgrades will include:

upgrades to the existing Creative and Performing Arts (CAPA) spaces

upgrade to Technology and Applied Studies (TAS) spaces

a new creative and performing arts facility

school entrance refresh including way finding, lighting and landscaping

upgrade of the school hall

minor upgrade of the food technology spaces and cafe

Planning and design work will be undertaken throughout the year.

More information

We will keep the community updated and provide more information as it becomes available.
