Investing in our schools

The NSW Government is investing $6.7 billion over the next four years to deliver 190 new and upgraded schools to support communities across NSW. In addition, a record $1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

Construction progress

- Internal refurbishment of the heritage buildings and external façade repair works are progressing in preparation for the school's first intake of Year 7 students in 2020.
- Tower construction is at level 1 and climbing fast.

Upcoming activities

- Heritage façade restoration continues.
- Continued internal fit-out of the heritage buildings.
- Ongoing construction of the main tower structure.
