Out of hours construction – Inner Sydney High School

Dear neighbour,

We are writing to inform you that due to delays resulting from heavy rainfall, our contractor will be working through the coming long weekend to prepare Inner Sydney High School for its opening on Wednesday 29 January 2020.

Works will take place between the hours of 7:00am and 6:00pm on Saturday 25 January, Sunday 26 January and 7:00am and 6:00pm Monday 27 January 2020 (weather dependent).

The works will include general construction activities and will require the use of low to medium noise generated by tools / equipment.

You may be aware of some noise associated with these works, however our contractor will make every effort to keep noise and disturbance to a minimum.

Traffic control personnel will be on site at the construction entry points to assist motorists and pedestrians around the site.

Please accept our thanks for your patience during these important works.
