# Irrawang High School upgrade

Project update | March 2024

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.

## Project overview

A project is underway to upgrade Irrawang High School to bring students the latest educational facilities and support the local community. The project has moved into the delivery phase and will deliver:

- new learning hub with 8 classrooms and 6 specialist support classes
- expansion and refurbishment of the library
- new school entry
- new support student drop-off / pick-up area.

## Progress summary

We are pleased to announce that the Hunter and Central Coast Regional Planning Panel has approved the development application for the project. The development consent conditions for the project are available on the NSW Planning Portal website. They can be viewed by searching the development applications for application number (DA 16-2023-42-1): [www.planningportal.nsw.gov.au](http://www.planningportal.nsw.gov.au).

## Next steps

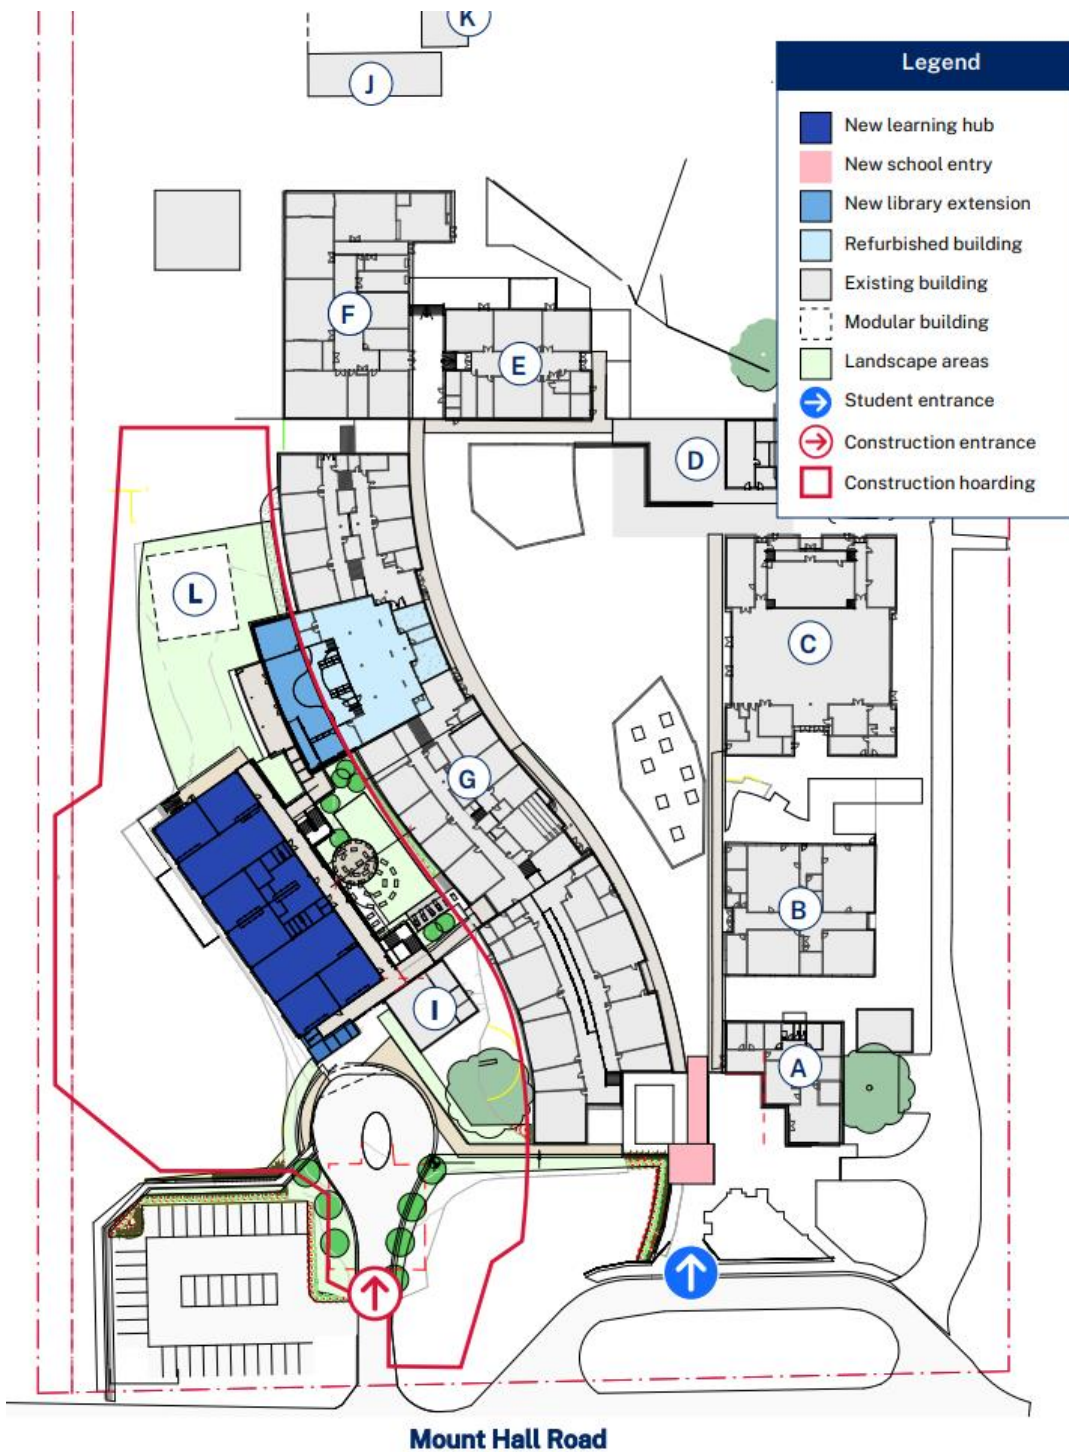

We have now started site establishment works onsite. Initial works will include installing site fencing and timber hoardings, site clearing, excavation and installing pipes and cables.

A map of the construction site with the access points is shown overleaf.

## Working hours

The approved working hours for this project are 7am to 5pm, Monday to Saturdays. No work will take place on Sundays or public holidays.
