

## Jordan Springs Public School

### Project update

February 2020

#### Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

#### Jordan Springs Public School

A project is underway to provide a new K-6 public school for Jordan Springs. The school includes:

- innovative learning spaces
- a library and a hall
- modern core facilities such as staff and administration areas
- a covered outdoor learning area.

#### Welcome to the new Principal

Working towards school opening on Day 1, Term 3, 2020, Kylie Becker has been appointed foundation Principal for Jordan Springs Public School.
