Karabar High School upgrade

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Your support and cooperation has made it possible for us to deliver these new facilities for students and their families.

With all work now completed on the upgrade, the project team has handed over the new facilities to the school to use.

Wishing you all the best,

The School Infrastructure Project Team and Karabar High School

Karabar High School upgrade

Innovative learning spaces delivered at Karabar High School

New facilities

We're really excited about the new facilities. This includes:

- 10 new permanent learning spaces
- a new seminar space
- new staff study facilities
- new covered walkways and ramps
- landscaping and accessibility improvement works.
