

# Kent Road Public School

## Works notification

April 2019

Dear neighbour,

We are writing to inform you that as part of the Kent Road Public School upgrade, we will be extending the existing carpark on school grounds. This will include pavement and drainage works near the school boundary towards Lucinda Road.

We will start work on Monday 29 April and we expect to complete the carpark extension by the end of June, weather permitting. Our working hours will be from 7am to 6pm Monday to Friday, and 8am to 1pm, Saturdays. No work will take place on Sundays or public holidays.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community, including noise, at every opportunity.

If you have any queries relating to this work, please contact School Infrastructure NSW using the contact information below.

Thank you for your cooperation during this important work.
