

Kent Road Public School

Day 1 Term 1 2021

New buildings at Kent Road Public School

Welcome to your school

We're excited your new school facilities at Kent Road Public School are ready for you to use. The upgrade to your school includes:

34 new permanent flexible learning spaces

A new library

A new canteen

Upgraded amenities

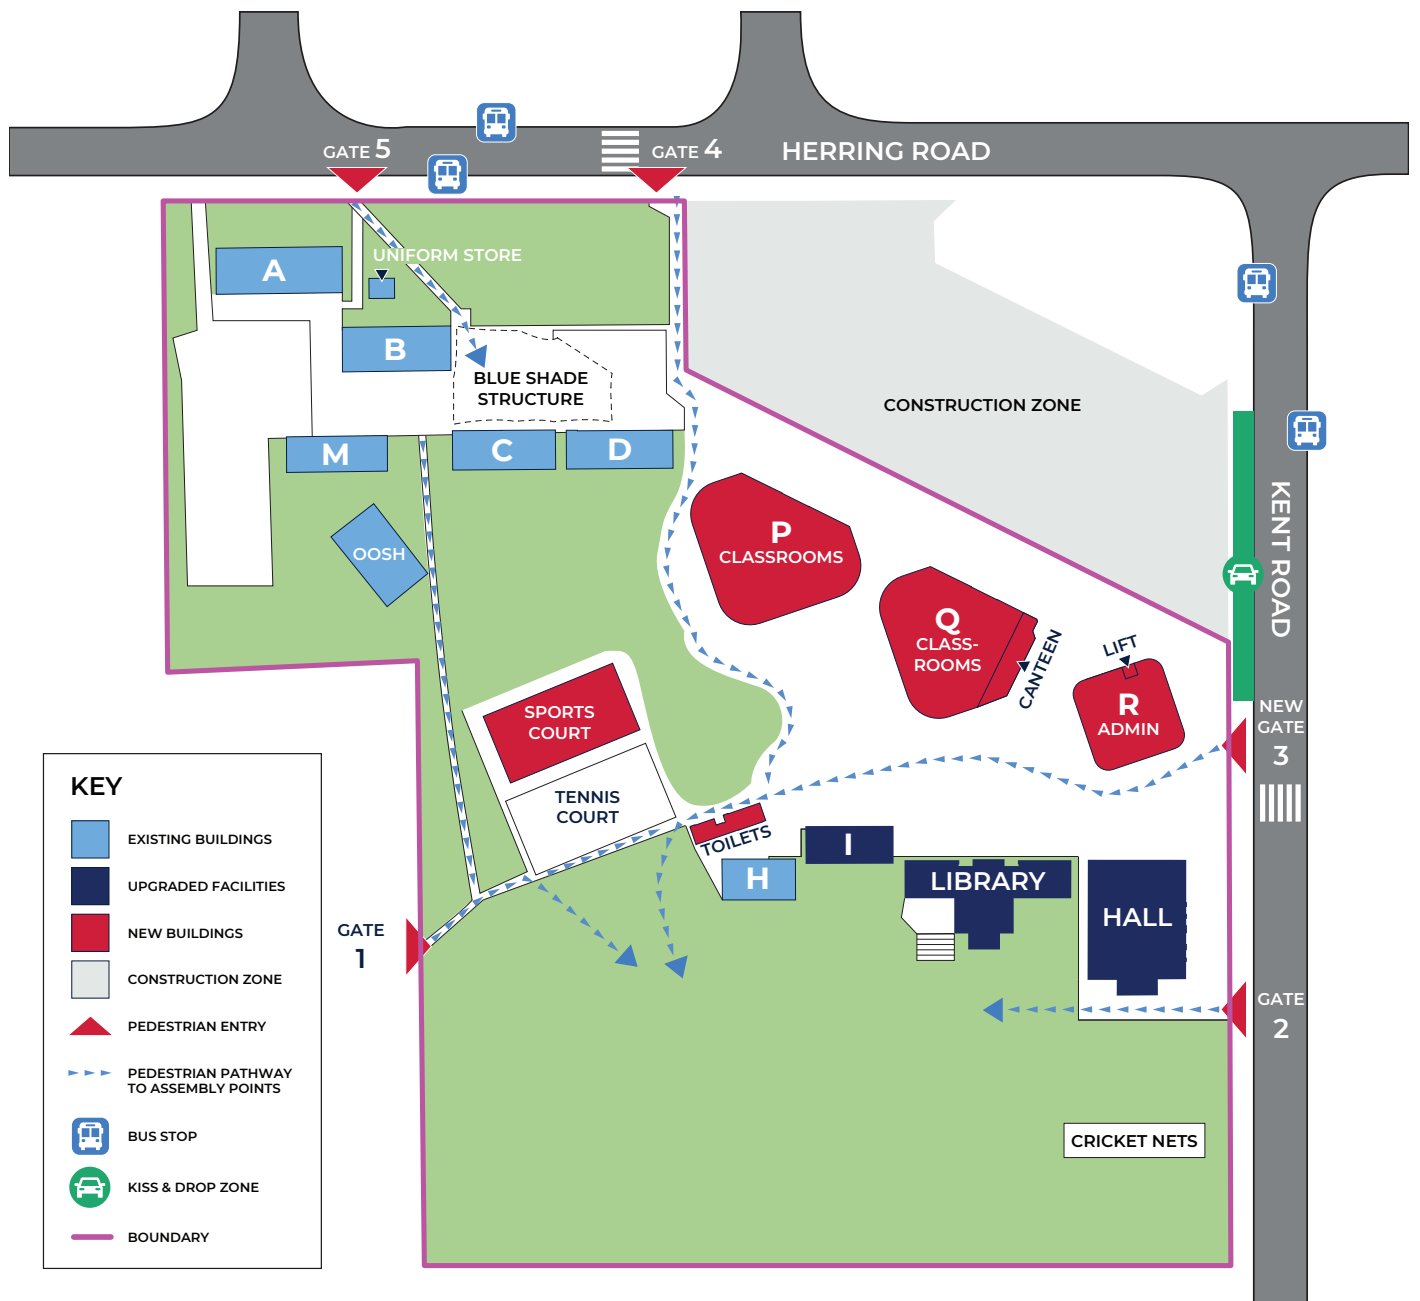

A new covered multipurpose sports court

A new staff/admin area

Thank you for your patience during construction. We are thrilled to deliver this project for your school community and hope you enjoy your new spaces.

Access to the school from Term 1 2021

Message from your Principal

We are proud of our new and upgraded facilities and the space they provide for flexible learning. They look amazing and will serve us well as we continue to focus on quality teaching for our students. We are proud of our school which provides a friendly, caring dynamic community striving for excellence in all areas of learning.

We pride ourselves in being a school that is large enough to provide a variety of programs to extend and enhance student performance whilst retaining a family atmosphere in which the individual student is recognised and understood.

With this upgrade we now have modern facilities to enable our students to become successful learners with the knowledge and skills to become active and informed citizens of the 21st Century.

I'd like to thank students, staff, parents and the local community for their patience during construction. I am sure you'll be as pleased as we are with the outcome.

Denise Minifie, Principal

Innovative learning environments

The project has delivered innovative learning spaces to meet the needs of diverse and dynamic young learners.

Innovative learning environments enable greater flexibility for teachers in how they deliver learning and teaching.

The learning spaces:

- are adaptable to accommodate small or large groups, or teams of teachers
- provide choice and variety for students in how and where they learn
- enhance opportunities to build skills in collaboration, communication, critical thinking, problem solving and creativity.

Frequently asked questions

What has been delivered in the upgrade at Kent Road Public School?

We are excited to announce the Kent Road Public School upgrade has been completed. The upgrade includes 34 new permanent teaching spaces, two special program spaces, a new administration building, a new library, hall and canteen, a multipurpose sports court and more functional outdoor play space.

Which classes are being relocated?

The new learning buildings will house all students from Kindergarten to Year 6. All classes have relocated to the new learning buildings over the summer holidays and students are ready to start in their new classrooms in 2021.

Will there be any changes to the school entrances?

Students will continue to be able to enter the school via gate 1 on Beverly Crescent, gates 2 and 3 on Kent Road and gates 4 and 5 on Herring Road. Please note that gate 3 on Kent Road has been moved to the new administration building (block R). Please see the school access map overleaf for more information.

Will there be any changes to the Out of School Hours Care?

No, it will continue to operate as normal.

When will the demountable classrooms be removed?

Removal of the demountables started in early January 2021 and will continue into Term 1. These works will not impact access to the school or day-to-day operations.

Will there be any changes to parking, staff parking, kiss and drop area or the bus stop?

No. For now, the arrangements remain unchanged and will continue to operate as usual. The bus drop off zone and kiss and drop area remains on Kent Road. An upgrade to the kiss and drop is being delivered and more information will be provided closer to work starting, which is anticipated to be mid 2021.
