New buildings at Kent Road Public School

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Your support and cooperation has made it possible for us to deliver these new facilities for students and their families.

With all work now complete on the upgrade, the project team has handed over the new facilities to the school to use.

We will continue to keep you updated as we remove the demountable classrooms, reinstate landscaping and upgrade the kiss and drop.

Wishing you all the best,

The School Infrastructure Project Team and Kent Road Public School
