Investing in our schools

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

The scope of work includes a new Creative and Performing Arts building (CAPA), a new library, a new senior learning environment, refurbished hospitality facilities and general learning spaces, and a new sports pavilion.

Progress update

The new extended administration area which includes a staff room, print room and administration areas, will be handed over for use by the first day of Term 4.

Next steps

The program of works over the coming months will include progressing the CAPA, completing the fit out of the Seniors Learning space hospitality and general classrooms.
