

# Kingscliff High School

## Works notification

December 2020

Kingscliff High School is being upgraded to provide new permanent teaching spaces and core facilities. The scope of work includes a new library, new senior learning environment, refurbished hospitality facilities, creative and performing arts building, and purpose-built sports pavilion.

### Summer holiday works

There are currently no plans for any demolition or construction at the school over the holiday period.

Our contractors will be on-site during January to lay new turf around the PE and sports pavilion and carry out minor rehabilitation works to the existing staff carpark.

During January we will also be removing some demountable buildings from the area adjacent to the new sports pavilion. This will involve large truck movements and use of a crane. Traffic control measures will be put in place to ensure the removal occurs safely.

### Working hours

No work will be undertaken between Wednesday 23 December 2020 and Sunday 3 January 2021 inclusive.

Standard work hours, which will apply over the holiday period, are 7:00am to 5:30pm Monday to Friday and 8:00am to 1:00pm on Saturdays. No work will take place on Sundays or public holidays, unless otherwise notified. Thank you for your patience while we deliver this important school infrastructure.

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651. School Infrastructure NSW will be closed from 5:00pm Thursday 24 December 2020 to 9:00am Monday 11 January 2021 inclusive. In an emergency, call triple zero (000).
