

Kingscliff Public School

Works notification | 1 March 2023

Kingscliff Public School is being upgraded to provide new permanent teaching spaces and core facilities to cater for enrolment growth in the area.

Concrete Pavement Demolition and Removal

In order to complete the new Kingscliff Public School Administration building, it is necessary to remove the concrete pavements adjacent to Orient Street, side entrance to the new administration building. This work may involve intermittent periods of high level of noise, due to the cutting and removal of the concrete. We will try and minimise the amount of disruption as best we can.

Works will take place on Wednesday 1 March 2023 and in accordance with the approved construction hours. Traffic controls will be in place on Orient St as required.

Staying informed

School Infrastructure NSW will continue to share updates as the project progresses. Visit the project website at schoolinfrastructure.nsw.gov.au for all the project details, project updates and documentation or register via the form on the 'Get involved' tab to have project updates and notifications like this emailed to you.
