

# Kingscliff Public School

Works notification | 15 February 2024

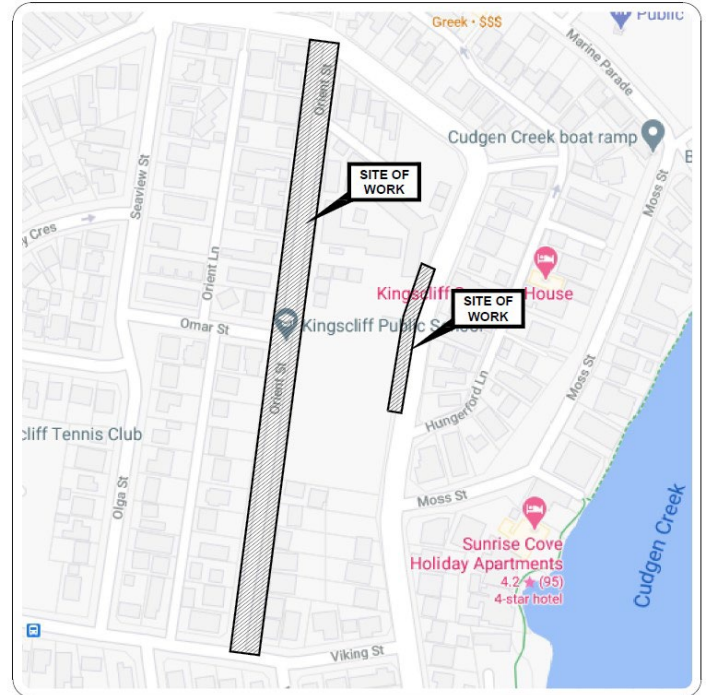

## Public domain footpath and road works Kingscliff Public School

As part of the upgrade to Kingscliff Public School, we will be undertaking work to construct new footpaths, carparking and line marking on Sutherland Street and Orient Street. The map right shows the location of the work to be undertaken.

Work on Sutherland Street will commence on 4 March 2024 and continue for approximately 4 weeks, weather permitting. A new footpath will be constructed on the western side of the street at the bus pickup area. Nine (9) on-street parking spaces will be constructed on the western side of the street and a new stormwater drain installed on the corner of Hungerford Lane and Sutherland Street. Lane closures will be managed with traffic controllers and signage. Residents will have access their driveways throughout the works.

Work on Orient Street will commence on 28 March 2024 and continue for approximately 4 weeks, weather permitting. This work will require the removal of two trees on Orient Street and will affect some gardens on the verge. We are working directly with the affected residents on these changes. The trees removed will be replaced with similar trees once the construction work is completed. Consultation with council has resulted in the maximum number of trees being retained.

During this work there will be some partial lane closures. Residents will have access their driveways throughout the works. We will provide residents with more information, including dates and times of any road closures, when these are known. Residents' driveways will not be affected by this work.

## Construction work hours

Approved working hours are 7 am to 6 pm Monday to Friday, and 8 am to 4 pm on Saturdays until the end of March 2024. From 1 April the construction hours will revert to 7am to 6pm Monday to Friday, and 8am to 1pm on Saturdays. No work will take place on Sundays or public holidays, unless otherwise advised.

## Further information

For any queries about this project, you can contact School Infrastructure NSW during business hours on 1300 482 651 or via email at [schoolinfrastructure@det.nsw.gov.au](mailto:schoolinfrastructure@det.nsw.gov.au).
