

# Kingscliff Public School

## Complaints Register - last updated 9 July 2025

This is a register of complaints received by School Infrastructure NSW about the Kingscliff Public School upgrade since the State Significant Development application was granted (SSD). A complaints register is a requirement for all SSD projects.

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
August 2022				No complaints received during August 2022	N/A	N/A
September 2022				No complaints received during September 2022	N/A	N/A
October 2022				No complaints received during October 2022	N/A	N/A
8 November 2022	14 November 2022	Email	Lighting on site	Contractor was asked to turn off any lighting that was not required for safety or security on site and has done so.	Closed	No
December 2022				No complaints received during December 2022	N/A	N/A
January 2023				No complaints received during January 2023	N/A	N/A

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
February 2023	16 February 2023	Email	Back fence & Bldg 4 finishes	Explained plans, finishes and final fencing	Closed	No
2 March 2023	6 March 2023	Email	Lighting on site	Lights identified and put on timer to turn off each night	Closed	No
16 March 2023	16 March 2023	Phone	Hoarding on Sutherland St obscuring vision	Spoke to RCC and they moved the hoarding back from the street improving the line of vision for traffic	Closed	No
April 2023				No complaints received during April 2023	N/A	N/A
9 May 2023	15 May 2023	Email	Leaves causing issues with gutters & solar	Spoke to Project Team and AMU. Tree inspection confirmed they are not overhanging the property. AMU manages this. Questioned use of gutter guards and solar installation - due to shade.	Closed	No

4 December 2023	12 December	Email	Lighting at night	Lights have been put changed to motion sensor	Closed	No
5 December 2023	7 December	Email	Damage to house. Change in elevation of site	Information pack emailed 7 December. Advised no change in site elevation. Inspection of property conducted	Closed	No
6 December 2023	7 December	Email	Damage to house	Information pack emailed 7 December. Inspection of property conducted	Closed	No
6 December 2023	7 December	Email	Earlier complaint about vibrations and damage not responded to	Further information emailed 7 December. Inspection of property conducted.	Closed	No
6 December 2023	7 December	Email	Vibrations, noise, contractor still using heavy equipment	Information pack emailed 7 December. Project team advised resident of schedule for use of heavy equipment. Inspection of property conducted	Closed	No
7 December 2023	11 December	Email	Damage to house	Information pack emailed 7 December. Inspection of property conducted	Closed	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
8 December 2023	8 December	Phone	Vibrations	Advised resident of works program, and emailed information pack	Closed	No
17 December 2023	17 December	Email	Vibrations, dust, damage to house, elevation of site, landscaping	Information pack emailed. Advised that site elevation has not changed. Arranged inspection of property	Closed	No
22 December 2023	9 January	Email	Non receipt of Condition report for property	SINSW returned to work 8 January and sought further information 9 January. Report received by SINSW and forwarded 15 January	Closed	No
8 January 2024	9 January	Email	Lights shining into resident's home	Advised resident shades would be installed on the lights but this could not be done until the end of January	Closed	No
15 January 2024	9 February	Email	No property inspection undertaken at beginning of project means the report does not accurately reflect the impact of work on resident's property	Resident advised that these issues will be addressed once construction has been completed and a post-construction inspection undertaken.	Closed.	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
16 January 2024	22 January	Email	School building overlooking resident's yard. Lack of privacy	See response below	Closed	No
22 January 2024	22 January	Email	Follow on from above seeking a response	Advised resident of communication and engagement with the community prior to finalisation of design. Provided link to detailed plans	Closed	No
23 January 2024	29 January	Email	Tree overhanging property, fallen leaves. Water flowing into property in heavy rain.	Advised resident to contact school directly regarding any maintenance as that part of the project has been handed over.  Video provided appears to show water flowing down footpath, which is the responsibility of council. Asked resident to provide any other photos or video showing water coming from the school	Closed	No
23 January 2024	29 January	Email	Has not yet received their condition report for their property	Sent their Property Condition Report	Closed	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
24 January 2024	29 January	Email	Privacy concerns and lack of community engagement prior to commencing work	Provided resident with details of the community engagement, and their involvement with it	Closed	No
30 January 2024	2 February	Email	Appearance of school and adjacent street	Advised resident project team would fix fence hoarding. Advised resident that any concerns with mowing of the street should be sent to council.	Closed	No
13 February 2024	26 February	Email	Concern about damage to house done prior to interim Property Inspection being done and querying why inspection was not done earlier. Concern about structural damage to house. Requested information about claims process	<p>Structural inspection completed and report forwarded 26 February. Shows no structural damage.</p> <p>Advised process for making any claims would be provided with final Property Report when construction is complete.</p> <p>Advice on how Pre-Construction inspections were decided had been previously provided.</p>	Closed	No
13 February 2024	28 February	Email	Privacy concerns	Provided resident with design changes made to improve residents' privacy	Closed	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
15 February 2024	26 February	Email	Would like to be involved in design of footpath	Advised that footpath had been designed to council requirements and in discussion with council.	Closed	No
16 February 2024	26 February	Email	Dust	Builders are implementing dust control	Closed	No
22 February 2024  26 February 2024 follow up	29 February	Email	Acoustic fence between southern end of school and residents. Lighting shining into resident windows at night and early morning  Concerned about loss of a mature tree on the verge in footpath works	SINSW acknowledged the resident's issue with the acoustic fence and advised that as that part of the project has been completed SINSW is not in a position to address the concern.  Advised resident that while SINSW had worked closely with council to minimise the loss of trees during footpath construction, that tree was one of two that needed to be removed.  Lighting issues have now been addressed	Closed	No
27 February 2024	7 March 2024  20 March 2024	Email	Lack of consultation with residents about footpath works	The resident who raised this issue also raised other issues listed separately. A response was initially sent 7 March, and a further response with detailed information about the issues raised was provided on 20 March 2024.	Closed	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
27 February 2024	29 February	Email	Light shining into house early mornings	SINSW proactively approached resident to check that lighting issue had been addressed. Seeking further clarification from resident and investigating possible solutions for lighting.  Lighting has now been fixed	Closed	No
28 February 2024	28 February 2024	Email	Error in complaints register online. Resident advised that "work undertaken in September and October 2023 was not in accordance with distances set out in the Construction Environmental Damage Plan"	Complaints Register has been updated for 6 November as identified above.  SINSW investigating the issue of compliance	Closed	No

COMPLAINTS ABOVE HAVE BEEN LISTED SEPARATELY REGARDLESS OF THE NUMBER OF TIMES THEY HAVE BEEN RECEIVED FROM THE SAME RESIDENT. THIS GIVES AN INCORRECT PERCEPTION OF HOW MANY INDIVIDUAL COMPLAINTS ARE RECEIVED.

COMPLAINTS BELOW ARE GROUPED WHERE THE SAME ISSUE IS REPORTED MULTIPLE TIMES BY THE SAME RESIDENT.

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
4, 7, 9, March 2024	7 March 2024 20 March 2024	Email	Landscaping around Building 1, privacy for residents	<p>Resident was provided with details of changes made to improve privacy, and link to the landscaping plan to provide a 'softening' look to building 1 and provide some privacy to residents.</p> <p>Resident was advised we are working with the school to establish whether anything else can be done to soften the look of Building 1</p> <p>AN email with detailed information about the current work, landscaping and other aspects of the project was sent to the resident on 20 March 2024</p>	Closed	No
21 March 2024	21 March 2024	Email	Complainant above requested contacts to escalate their concerns about landscaping and privacy	Contact details were provided	Closed	No
25 March 2024	25 March 2024	Phone	Follow on from complaint above re landscaping and privacy	Email was sent to resident with details of trees and mature height included in the landscaping plan	Closed	No

Date of complaint	Date of response	Method of complaint	Nature of complaint	SINSW response	Complaint status	Is this complaint an emergency
28 March 2024		Email	Escalation of all complaints listed from 4 - 25 March above	As the complaints have now been escalated they are being closed at this level	Closed	No
11 March 2024	20 March 2024	Phone / email	Resident above followed up their privacy concerns with concerns about traffic around school at drop off/pick up times	An email with detailed information about the current and future work, with likely impacts was sent on 20 March 2024	Closed	No
11 March 2024	26 March 2024	Email	Follow up from previously answered complaint about lack of pre-construction survey	This complaint has been escalated and is being closed at this level	Closed	No
14 March 2024	25 March 2024	Email	Lights left on overnight.	<p>Lights in building 1 have been put on a timer and now turn off at 6pm.</p> <p>This complaint was reported by 2 separate residents. Both were advised of the change to the lighting schedule</p>	Closed	No

5 September 2024	25 September 2024	Email	Drainage of rainwater in School Lane.	Council inspection scheduled to approve remediation of works undertaken within School Lane. Laneway is a Council asset; it does not belong to the Department of Education. As part of construction, swale drains and catchpits were included to help manage surface water from the school to prevent excessive runoff.	Closed	No
10 September 2024	12 September 2024	Email	Resident woken by early morning delivery.	Project team spoke with the contractors and reiterated the importance of adhering to the appropriate work hours of 7am –6pm.	Closed	No
12 September 2024	13 September 2024	Phone	Delayed Executive Summary of dilapidation report.	Followed up with contractor to have them sent to us as soon as possible.	Closed	No
13 September 2024	25 September 2024	Email	Movement of rocks and soil on property during construction of school.	Site inspection carried out, change is believed to be a result of various weather events in the area and natural erosion.	Open	No
13 September 2024	25 September 2024	Email	Reported changes to property during construction of school.	Childs Properties assessed the property pre and post construction and found no change in the property during the construction of school.	Closed	No
