

Kingscliff Public School

Works notification

December 2020

Kingscliff Public School is being upgraded to provide new permanent teaching spaces and core facilities to cater for enrolment growth in the area. The scope of work includes replacement of all classrooms, including demountable buildings, a new library, an extended hall and new canteen, new outdoor spaces and a redeveloped school entry.

Summer holiday works

There are no plans for any demolition or construction at the school over the holiday period.

In January 2021 we will be removing three demountable buildings facing Orient Street. This will involve large truck movements and use of a crane. Traffic control measures will be put in place to ensure the removal occurs safely.

Working hours

No work will be undertaken between Wednesday 23 December 2020 and Sunday 3 January 2021 inclusive.

Standard work hours, which will apply over the holiday period, are 7:00am to 5:30pm Monday to Friday and 8:00am to 1:00pm on Saturdays. No work will take place on Sundays or public holidays, unless otherwise notified. Thank you for your patience while we deliver this important school infrastructure.
