Kingswood High School

Term 2 holiday construction works

July 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Kingswood High School

A project is underway at Kingswood High School to deliver a new multipurpose school hall with modern facilities for the school. This includes a multipurpose indoor sports and performance area, health/PE, performing arts learning unit and a school stage.

Progress summary

Work is continuing to complete a new multipurpose school hall. The brickwork of external walls and internal structures are near complete.

Term 2 school holiday works

Works over the term 2 holidays will include completing the external wall brickworks, plumbing and electrical in ground services, install windows and construct a new pavement from Monday 6 July to Friday 17 July.

Due to the nature of our work, you may experience increased noise from machinery and other activities.

Construction work will take place Monday to Friday, 7:00am to 6:00pm and Saturday, 7:00am to 1:00pm. No work will take place on Sundays or Public Holidays.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

Thank you for your patience as we deliver this important project for the school community.

Frequently asked questions

What works will be completed over the holidays?

Work is continuing to complete the new multipurpose school hall at Kingswood High School.

Works over the term 2 holidays will include completing the external wall brickworks, amenities in ground services, install windows and construct new pavement.

What are the construction working hours?

Construction hours over the Term 2 holidays will be as per the standard hours.

- Monday to Friday: 7:00am to 6:00pm
- Saturday: 7:00am to 1:00pm.

No work will be undertaken on Sunday or on public holidays.

What safety measures will be in place?

The health and safety of the community is our highest priority. Temporary fencing has been erected around the construction site to secure the area and prevent public access.

What steps will be taken to control noise and dust impacts?

Noise and dust control measures will be implemented in accordance with planning approval requirements.

Hoarding and shade cloth have been erected to reduce noise and dust impacts on the school and local residents.

Dust from construction works will be hosed down as required.

How will traffic be managed?

Traffic management will be in place where required for the safety of students, staff, the local community and workers.

Traffic controllers will be used where required to manage entry and exit of vehicles to and from the construction site. Vehicles will give way to pedestrians at all times.

Who can I contact if I have a concern about construction work over the holidays?

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651.

In an emergency, call triple zero (000).
