

Kingswood High School

Project completion

Kingswood High School multipurpose hall

We're excited the Kingswood High School upgrade has been completed and is ready for you to use. The project delivered:

An indoor sports performance area

Health, physical education and performing arts learning units

A school stage

Mezzanine

lift

Access stairs and footbridge

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Frequently asked questions

How will lift access be controlled?

Training for the correct and safe use of the lift will be provided for the student/s and staff that require it. The school has a 'Use of School Lifts Policy' that complies with WHS requirements.

Is the mezzanine and footbridge wheelchair accessible?

Yes, the new lift allows access to the mezzanine and the footbridge providing easy access for all.

Where does the new footbridge connect to?

The new footbridge connects the hall to the adjacent science labs and wood working rooms.

Thank you

We would like to thank you for your patience as we delivered this upgrade. Your support and co-operation has made it possible for us to deliver these new facilities for the students and staff of Kingswood High School.
