

Kyeemagh Public School

Project completion

Outdoor learning spaces at Kyeemagh Public School

The main construction work for the upgrade at Kyeemagh Public School is now finished. The project has delivered:

17 flexible learning spaces

A new library

A new hall

A new canteen

Covered outdoor learning area (COLA)

A new nature-based playground

A new staff and administration area

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Stage 2 works finished

Stage 2 works for Kyeemagh Public School are now finished. The final stage of works delivered a new hall, a canteen, covered outdoor learning area, and a multi-court sports space. Construction activity related to the upgrade at the school is now finished and the new facilities have been handed over to the school.

Environmentally conscious school design

The Kyeemagh Public School upgrade includes many environmentally conscious features. Features include:

- Windows are insulated with double-glazed glass to ensure energy efficient performance.
- Rain water tanks have been installed to collect water for the school gardens and vegetable patch.
- New pedestrian pathways in local streets and bicycle storage facilities to encourage students and staff to cycle and walk to school for their daily commute.

Thank you

We would like to thank you for your patience as we have delivered this upgrade. Your support and cooperation has made it possible for us to deliver these new facilities for the students and staff of Kyeemagh Public School.
