

# Kyeemagh Public School

## Works notification

### 26 October 2020

Dear parents, carers and neighbours,

Construction of the Kyeemagh Public School upgrade is progressing well and the first of our three concrete pours took place on 16 October with minimal disturbance to students, staff and neighbours.

Because of recent wet weather, we have had to reschedule the second and third concrete pours..

Our second concrete pour will now take place tomorrow – 27 October 2020. The third concrete pour will take place on Friday 30 October. Both pours will commence from 7am and will comply with the construction hours as set out in the Consent Conditions.

### Schedule of works

Dates are subject to change due to weather.

#### Tuesday 27 October 2020.

- Trucks delivering for concrete pour 2 will be entering via the main site access gate off Jacobsen Avenue and will exit from Gate 5 at the staff carpark.
- Parents and carers may use Beehag Street for the morning and afternoon “kiss and drop” on this date.

#### Friday 30 October 2020

- Trucks delivering concrete for pour 3 will be entering via the Staff carpark access in Beehag Street as this pour will block the use of the main site access gate off Jacobson Avenue.
- Parents and carers may use Beehag Street for the morning and afternoon “kiss and drop” on this date.

There will be increased truck movement along Jacobsen Avenue during these works, including during drop off and potentially pick up times if the commencement of pour is delayed again due to weather.

To ensure the safety of students, staff, the local community and our site workers, traffic management will be implemented. This includes the use of onsite traffic control personnel to manage entry and exit of construction vehicles. Site vehicles must give way to pedestrians at all times. Parents and cares are requested to follow the directions and advice of the traffic controllers at all times.

We are here to make sure that work is completed safely and efficiently and that we minimise impacts on the community at every opportunity.
