Kyeemagh Public School

Term 3 holiday works notification

September 2020

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. This is the largest investment in public education infrastructure in the history of NSW.

The NSW Department of Education is committed to delivering new and upgraded schools for communities across NSW. The delivery of these important projects is essential to the future learning needs of our students and supports growth in the local economy.

Project overview

School Infrastructure NSW is redeveloping Kyeemagh Public School to bring students new and improved facilities and support the growing student community. The project will deliver:

- new flexible learning spaces
- a new library
- a new hall
- new amenities
- a new canteen
- a new covered outdoor learning area (COLA)
- a new staff/administration area.

Progress summary

Site establishment work has progressed with the demolition of existing structures on the eastern side of the block i.e. the storage sheds, the establishment

of vehicle access ways and soil preparation and compacting work to level the ground.

School holiday works

During the Term 3 school holidays, in-ground services for electricity and plumbing will be laid, plus construction of the ground floor concrete slabs.

There will be an increase in trucks to support the pouring of the ground floor concrete slabs. The primary vehicle entrance is on Jacobson Ave. Trucks will enter and exit the construction zone in a forward direction. Construction traffic will be managed according to the traffic management plan with minimal disruption to the local community.

Due to the nature of our work, there may be increased noise and dust from machinery and other activities. We will ensure that work is completed safely and efficiently, and disruptions are minimised.

Construction hours are 7:00am to 6:00pm Monday to Friday and 8:00am to 1:00pm Saturdays. No work will be conducted on Sundays or Public holidays.

Thank you for your patience as we deliver this important project for the community.
