

Investing in our schools

The NSW Government is investing \$6.7 billion over four years to deliver more than 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years, along with a record \$500 million for the sustainable Cooler Classrooms program to provide air conditioning to schools. This is the largest investment in public education infrastructure in the history of NSW.

What will the project deliver?

An upgrade is underway at Lake Cathie Public School. The project will deliver:

 **17 new flexible learning spaces, including 2 specialist learning spaces**

 **A new hall**

 **A new bus bay**

 **Landscaping works**

 **Refurbishment of the existing school hall into a new library and a special programs unit**
