Message from your Principal

Welcome to our school.

Losing our hall to fire in January 2020 was a devastating blow to the school and the wider community who had close connections to the hall. It is so pleasing that we now have a state-of-the-art hall which will again become the central meeting place for Lane Cove Public School and the wider community.

It is an impressive and dynamic space where we can gather, perform, celebrate and create new memories.
