

Leppington Public School

Project update | February 2025

Aerial view of artist impression of the new buildings at Leppington Public School.

Investing in our schools

As part of the NSW Government's plan to rebuild public education, the 2024-25 Budget is delivering record education funding, including \$3.6 billion for new and upgraded schools in Western Sydney. This targeted investment will ensure growing communities get access to a world class public education.

Project overview

The upgrade for Leppington Public School is in progress and will be delivered in 2 stages. The first stage of the upgrade will include 20 new permanent classrooms, 3 support learning classrooms, a new hall, a new covered outdoor learning area (COLA) and an upgrade and refurbishment of the administration facilities and library.

Community information session: 25 February 2025

You are invited to attend a community information session to find out more about the Leppington Public School upgrade, view the designs for Stage 1 and speak to the project team.

Time: 3 pm to 5 pm

Location: 144 Rickard Rd, Leppington NSW 2179

You can drop in at any time during the session. If you are unable to attend, we will also share the designs with the community following the information session.
