

Thank you

from Lidcombe Public School

To our community

We would like to thank you for your patience as we have delivered this upgrade to the school.

Main construction works for the new building with 14 permanent flexible learning spaces and a library, new outdoor play space and a new covered outdoor learning area (COLA) were completed in April 2020.

Your support and co-operation have made it possible for us to deliver these new facilities for students, staff and our school community.

With landscaping works and refurbishment of the existing library into two new flexible learning spaces now complete, Hutchinson Builders has vacated the site and the new facilities are ready for students and staff to use.

Wishing you all the best,

The School Infrastructure Project Team and Lidcombe Public School

Lidcombe Public School upgrade

New facilities

We're really excited about the new school facilities. We have delivered:

- a new building with 14 permanent flexible learning spaces and a library
- new outdoor play space
- a new covered outdoor learning area (COLA)
- refurbished the existing library into two new flexible learning spaces.

Thank you for your patience during construction of the upgrade to Lidcombe Public School. We are thrilled to have delivered this project to the community.
