Works notification

October 2020

Extension to working hours

Dear neighbour,

We are writing to inform you of changes to the construction hours for the planned restoration and remediation work at Lindfield Learning Village.

The amended construction hours are:

- Monday to Friday from 7:00am to 12:00am (midnight)
- Saturday and Sunday from 7:30am to 5:30pm.

The extended construction hours will start from Monday 19 October 2020 and are required for a period of approximately **one month**.

Works undertaken during these extended hours will primarily include internal work. Any external works will generate minimal noise such as laying of waterproof materials.

We will ensure work is considerate of neighbours with noise kept to a minimum and mitigation measures will be in place to ensure any potential light pollution generated from the work will be minimised.

Thank you for your patience and cooperation during this important work.
