

Lindfield Learning Village

Works notification

3 April 2022

Roof plant modification works

In October 2021 School Infrastructure NSW (SINSW) submitted an application to the Department of Planning and Environment (DPE) to modify the planning consent for Lindfield Learning Village (State Significant Development SSD 8114). This modification allows for the relocation and consolidation of rooftop plant services and the installation of screening devices.

DPE approved the modification application in January 2022. This notification is to advise that these works will take place during the upcoming school holiday between Monday April 11 and Friday 22 April 2022.

Work will take place between 7 am and 7 pm Monday to Friday and between 8 am to 4 pm Saturday, weather permitting.

Every effort will be made to ensure these works are as minimally disruptive as possible. If you have any questions about these works, please contact us using the details provided below.

We thank you for your cooperation during this important work. We will continue to provide updates to the school and local community.
