Transport for NSW

Initiator	Date	Comms Type	Comments
SINSW	31.05.18	Meeting	Arup, Urbis Planner, SINSW and Savills met with Transdev and TfNSW to discuss school bus services for D1T12019 at TfNSW Chatswood offices. Jonathan McMullan (TfNSW) and Steve Scott (Transdev) in attendance. It was indicated at this meeting that services are unlikely to be readily available.
SINSW	31.10.18	Meeting	Arup, School, Transdev and Savills met at the new school site on Eton Road to discuss bus services for D1T12019. It was discussed that the most likely option for D1T12019 would be using the existing 565 service, however a school survey should be undertaken to assist with Transdev discussions with TfNSW. If not for D1T12019 then for D1T12020.
SINSW	12.11.18	Email	Survey results provided to Transdev for mode of transport enquiries.

Transdev	4.12.18	Email	No buses for D1T12019 confirmed.
Arup	21.12.18	Email	Green Travel Plan and Operational Transport and Access Management Plan sent to Ken Ho for review.
Arup	8.01.19	Telephone Call	Follow up phone call to Ken Ho, Freight, Strategy & Planning T 0417 587 670 who is reviewing the GTP and OTAMP. The review is underway and Arup indicated that the plans are being implemented ready for the school opening. Input from TfNSW will be incorporated into these live documents. Arup requested concurrence that these documents comply with the conditions of consent.
TfNSW	11.01.19	Email	Feedback on the OTAMP (and Green Travel Plan) received from Ken Ho.
TfNSW	23.01.19	Email	Confirmation from TfNSW that protocol was followed with regards to bus discussions for D1T12019.
