Dear Mr Kyriacou

**Lindfield Learning Village (SSD 8114)  
Condition B57**

I refer to your submission dated 16 January 2018 seeking the agreement of the Planning Secretary of the Department of Planning and Environment ("Department") of the suitability of the Auditor's qualifications, experience and independence to undertake an independent audit of the Lindfield Learning Village project ("Project").

In accordance with Condition B57 and the *Independent Audit Post Approvals Requirements (June 2018)*, the Planning Secretary has agreed to Mr Richard Johnson as the Auditor for the Project.

Notwithstanding, the agreement for Mr Johnson to be the Auditor for this Project, each respective project approval requires a request for the agreement to the auditor be submitted to the Department, for the consideration of the Secretary. Each request is reviewed and depending on the complexity of future projects, the suitability of a proposed auditor will be considered.

The Independent Audit must be prepared, undertaken and finalised in accordance with the *Independent Audit Post Approval Requirements (June 2018)*.

If you wish to discuss the above, please do not hesitate to contact Kate Moore on (02) 8274 6095 or by email on [compliance@planning.nsw.gov.au](mailto:compliance@planning.nsw.gov.au).

Yours sincerely,

Rob Sherry
