Investing in our schools

The NSW Government is committed to rebuilding flood affected schools in the Northern Rivers region, ensuring we build back better with flood resilient schools for local students and local communities.

Funding for the school projects has also been provided by the Infrastructure Betterment Fund, which is jointly funded by the Australian and NSW Governments through the Disaster Recovery Funding Arrangements (DRFA).

Project overview

As part of this commitment, a project is underway to rebuild Lismore South Public School and Lismore South Public School Ngulliboo Jarjums Preschool, after it was extensively damaged during floods in 2022. The new flood resilient facilities will include 13 modern classrooms, library, multi-purpose hall, administration areas, landscaping and separate preschool spaces.

Progress summary

Working is continuing to prepare the school site for the new buildings.

- Remediation of the final areas of the school site is almost finished.
- We have started drilling the inground screw piles that will support the steel gantry structure and new buildings.
- The new classroom and administration buildings are being manufactured offsite, ready for transport to South Lismore (*photos of the new buildings are on the next page*).

Next steps

Now that demolition and remediation are almost complete the next steps will focus on the new buildings. This includes:

- ground works (concrete slabs) and inground piling
- delivery and installation of the steel gantry and school buildings, starting later in Term 1
- construction of the multi-purpose hall
- school fit out, ICT connection and landscaping.

More information

We will keep staff, parents/carers and our school neighbours updated throughout construction of the new school, which is on track for completion in late 2026.

You can find more information about the project at edu.nsw.link/LismoreSouthPS-FloodRecovery or by scanning the QR code. If you have questions about this project, you can contact School Infrastructure during business hours on the details below.
