

# Liverpool High School (provisional) redevelopment Works notification | 15 July 2024

The NSW Government will deliver a new co-educational high school in Liverpool by bringing together the existing Liverpool Boys and Liverpool Girls High Schools, following extensive consultation with the community.

## Installation of noise loggers

We have engaged an acoustic engineer to install the noise loggers.

If your residence is best suited to locate a noise logger, a representative from Acoustic Studio will knock on your door to discuss the location with you before installation. The loggers will remain in place for approximately two weeks from the date of installation, which is expected to take place in the week beginning 15 July 2024 (weather dependant).

You can find further information about the Liverpool High School (provisional) redevelopment at our project webpage: <https://edu.nsw.link/Liverpool-Boys-HS-Liverpool-Girls-HS> or simply scan the QR code .
