

Liverpool West Public School – completed stage 1 upgrade area

Liverpool West Public School

Information pack | November 2023

Investing in our schools

As part of the NSW Government's plan to rebuild essential services, the 2023-24 Budget is delivering a record \$8.8 billion for new and upgraded schools. This targeted investment in growing communities will ensure working families get access to a world class public education.

School infrastructure NSW (SINSW) is upgrading the facilities at Liverpool West Public School. The first part of the upgrade was handed over to the school in early 2023.

The second stage of the upgrade of the school will be finished in December 2023, ready for the school community to use from Day 1 Term 1 2024. It will deliver:

A further **28**
new flexible
classrooms

4 new support
rooms

2 preschool
rooms for Coota
Gulla Preschool

A refurbished
Mainsbridge House

Landscaped
play areas

Oval

Basketball court

Bush tucker
garden

We're looking forward to welcoming students to the newly upgraded facilities on Day 1 Term 1 2024

We are excited to advise that we've almost finished building the Liverpool West Public School upgrade. From Day 1 Term 1 2024, students will be learning in a completely upgraded school.

The final checks are underway and we are working with school staff to make sure everything is ready for students at the school and Coota Gulla Preschool for the new school year.

New school entrance

From Day 1 Term 1 2024, students and families will continue to enter using the current entrances on Flowerdale Road, near the zebra crossing. There will be an additional entry from Mainsbridge Avenue (see map overleaf).

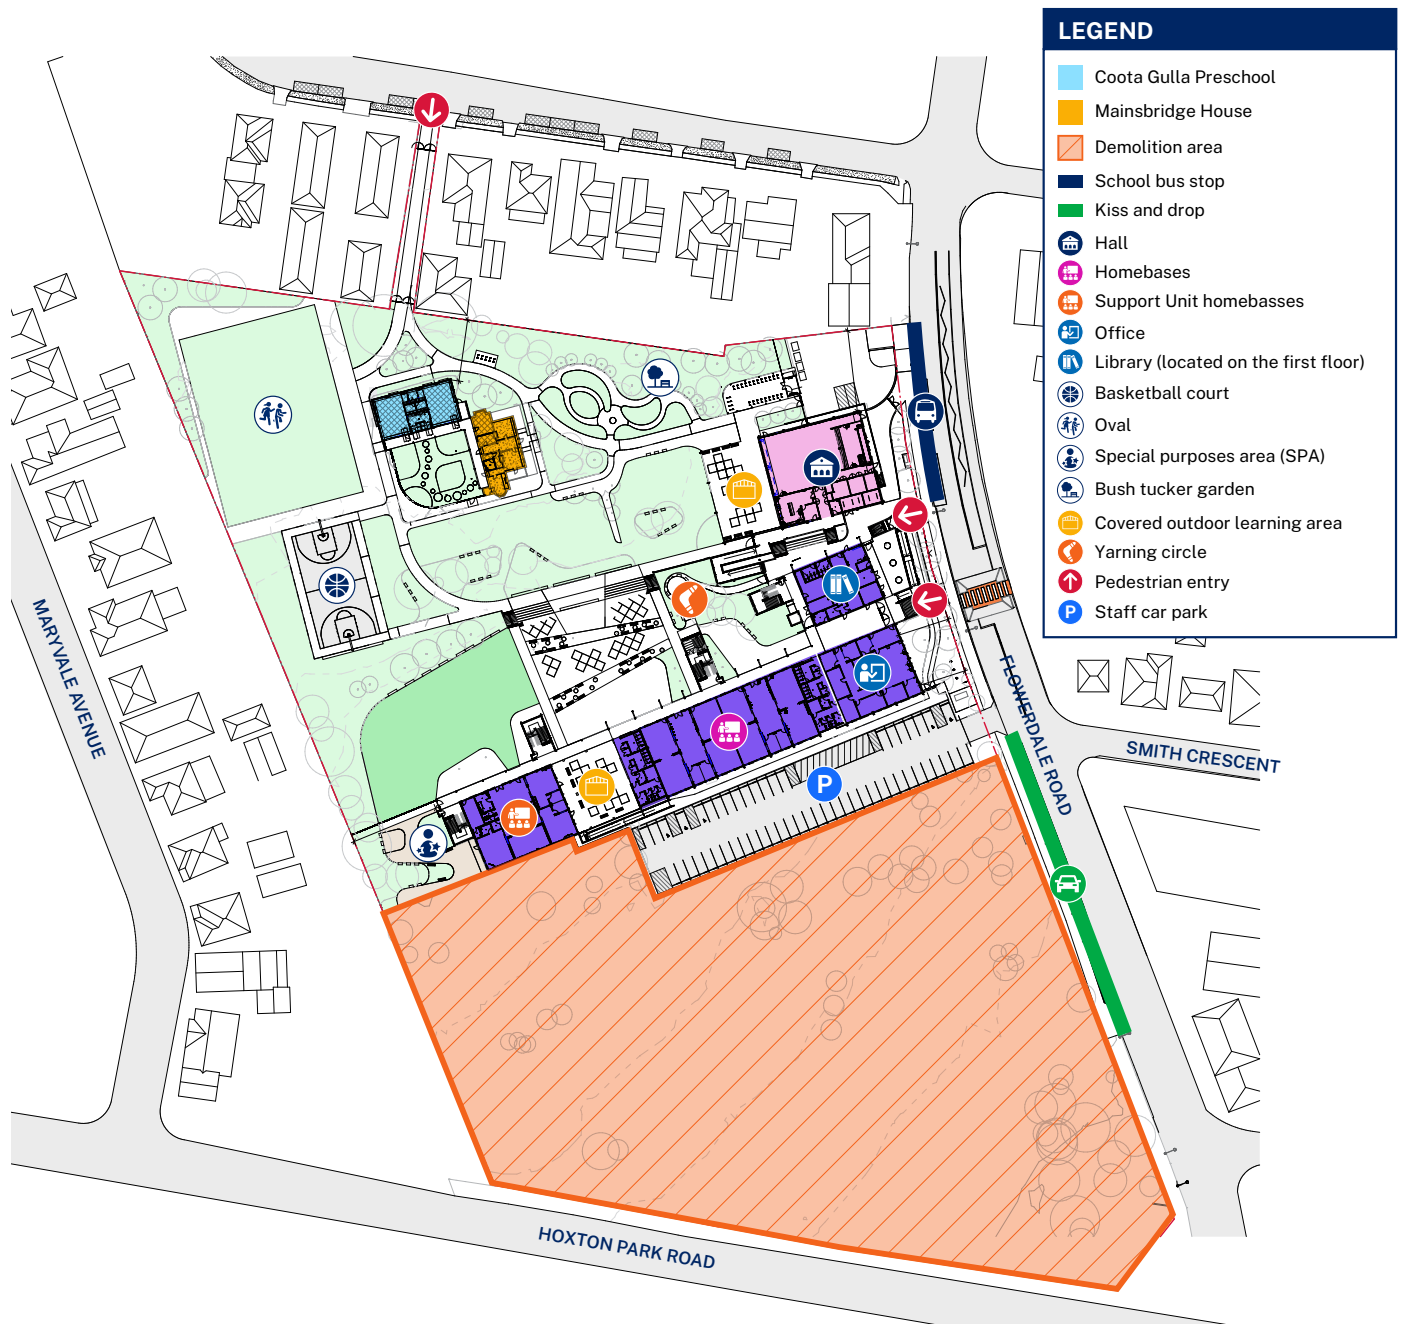

Next steps

The last part of this work will be to demolish the old school buildings. The contractor, ADCO, will begin this the summer school holidays and we expect it to be finished in early 2024. We will keep the community up to date on this work. See the map overleaf for the demolition area.
