## Works notification

13 August 2021

In line with the NSW Government's Public Health Orders (Government Gazette No. 377), early works at Liverpool West Public School upgrade will resume from Monday 16 August 2021.

A comprehensive COVID-19 Safety Plan will be put in place and ADCO Constructions will comply with the one person per 4sqm rule and ensure their workers fulfil their COVID-19 vaccination requirements before entering the site.

Our construction sites will follow all current health guidelines and ensure all workers wear masks for indoor and outdoor work.

The NSW Government has recently passed legislation to allow construction hours to be extended outside of those specified in the development consent conditions (Environmental Planning and Assessment (COVID-19 Development-Construction Work Days) Order (No 2) 2021) to protect the health, safety, and welfare of construction workers and our community during the COVID-19 pandemic.

The construction hours for this project are 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturday. No work will occur on Sundays or public holidays.

Regular updates are published on the School Infrastructure NSW website to communicate the changes on our sites in Greater Sydney in line with NSW Government's COVID-19 Guidelines. To keep up to date, please visit: [schoolinfrastructure.nsw.gov.au](https://schoolinfrastructure.nsw.gov.au).

Safety is the number one priority for School Infrastructure NSW and we are following all health advice in relation to construction sites.
