

## Mainsbridge School

### Summer holidays construction works

December 2019

#### Investing in our schools

The NSW Government is investing \$6.7 billion over the next four years to deliver 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

#### Mainsbridge School

A project is underway to relocate Mainsbridge School for Specific Purposes to part of the existing Warwick Farm Public School site.

The project will deliver new, purpose-built facilities that cater to the needs of the current students across primary and high school. The new facility will provide flexible learning spaces including quiet zones designed with consideration for children with specific needs, an administration and staff building, a multipurpose hall and performance stage, external play spaces, sports field, a two-storey library with multimedia areas and an indoor hydrotherapy pool.

#### Warwick Farm Public School upgrade works

Alongside the upgrade for Mainsbridge School, minor upgrade works have been completed at Warwick Farm Public School, including a new toilet block, car park and landscaping. Warwick Farm Public School

will also have shared use of the new sports field and multipurpose hall delivered as part of the Mainsbridge School project.

#### Progress summary

Work is continuing to complete remediation works on the site. Construction activities will commence shortly.

#### Summer school holiday works

Works over the summer holidays will include starting the construction of the new sports field, new buildings and some landscaping. Installation of the General Assistant shed will be completed for the Warwick Farm Public School.

Construction work will take place Monday to Friday, 7:00am to 6:00pm and Saturday, 8:00am to 1:00pm. No work will take place on Sundays or Public Holidays.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.

## Frequently asked questions

### What works will be completed over the holidays?

Work is continuing to complete remediation works on the site. Construction activities will commence shortly.

Works over the summer holidays will include construction of the new sports field and some landscaping, installation of the northern fence and the General Assistant shed.

### What are the construction working hours?

Construction hours over the summer break will be as per the standard hours.

- Monday to Friday: 7:00am to 6:00pm
- Saturday: 8:00am to 1:00pm.

No work will be undertaken on Sunday or on public holidays.

### Will construction take place over Christmas and New Year?

No construction will take place at the Warwick Farm Public School site for the Mainsbridge School project between the Christmas and New Year period.

### What safety measures will be in place?

The health and safety of the community is our highest priority. Temporary fencing has been erected around the construction site to secure the area and prevent public access.

### What steps will be taken to control noise and dust impacts?

Noise and dust control measures will be implemented in accordance with planning approval requirements.

Hoarding and shade cloth have been erected to reduce noise and dust impacts on the school and local residents.

Dust from construction works will be hosed down as required.

### How will traffic be managed?

Traffic management will be in place where required for the safety of students, staff, the local community and workers.

Traffic controllers will be used where required to manage entry and exit of vehicles to and from the construction site. Vehicles will give way to pedestrians at all times.

### Who can I contact if I have a concern about construction work over the holidays??

If you have any queries or concerns about this project you can contact School Infrastructure NSW during business hours on 1300 482 651.

School Infrastructure NSW will be closed from Monday, 23 December 2019 to Friday, 3 January 2020 inclusive.

In an emergency, call triple zero (000).
