Our crews will be on site continuing work for the school relocation.

This work is expected to be finished by the end of Term 1, 2021.

The work taking place includes:

- starting the construction of the Mainsbridge School carpark
- installing new play equipment and the playground
- completing the building façade and removing scaffolding
- landscaping and new fencing around the school.

The working hours for this project are 7am to 6pm, Monday to Friday and 8am to 4 pm on Saturdays and Sundays. No works will be undertaken on public holidays.

There are no planned traffic impacts to take place for this work.

We are here to make sure that work is completed safely and efficiently and we will minimise impacts on the community at every opportunity.
