Mainsbridge School

## To our community

We want to thank you for your patience as we have delivered the relocation of Mainsbridge to be alongside the existing Warwick Farm Public School.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

All work on the project has now been finished and the entire site is now available for the school to use.

Wishing you all the best,

**School Infrastructure NSW and Mainsbridge Public School**
