new modern teaching spaces and facilities for up to **760** primary school students

**18** refurbished classrooms

innovative learning spaces

Example of innovative learning spaces

## Day 1 Term 1, 2019

The first day of the 2019 school year will be exciting for the students, teachers and parents at Marie Bashir Public School.

### What to expect

Our new learning spaces and facilities will be ready and open for students for Day 1 Term 1, 2019.

Teachers will be ready to meet their students to guide them to their classrooms.

### Innovative learning environment

From Day 1 Term 1, our teachers and students start using their new innovative learning spaces.

Innovative learning spaces will:

- be adaptable to accommodate small or large groups
- include learning neighbourhoods with flexible, adaptable spaces that help students use modern technology, while working independently and in groups
- adapt to changing technologies to meet the needs of evolving teaching techniques.
