

# Matthew Pearce Public School

Welcome Pack – February 2025

New teaching building

## Welcome to your upgraded school

We are excited the upgrade at Matthew Pearce Public School is complete and ready for students and staff to use. The new facilities include:

new teaching buildings, with  
24 classrooms and 3 specialist  
support classrooms

new hall

landscaping adjacent to  
the new buildings and  
improvements to walkways

new outside of school hours  
(OOSH) facilities

new student amenities

Temporary classrooms are scheduled to be removed from site towards the end of Term 1 2025.

A new sports field/ running track is scheduled to be delivered by late 2025.

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

## Message from your Principal

Welcome to our school.

Matthew Pearce Public School's new building upgrade provides our students and teachers with new flexible modern fit-for-purpose classrooms and new facilities for our school.

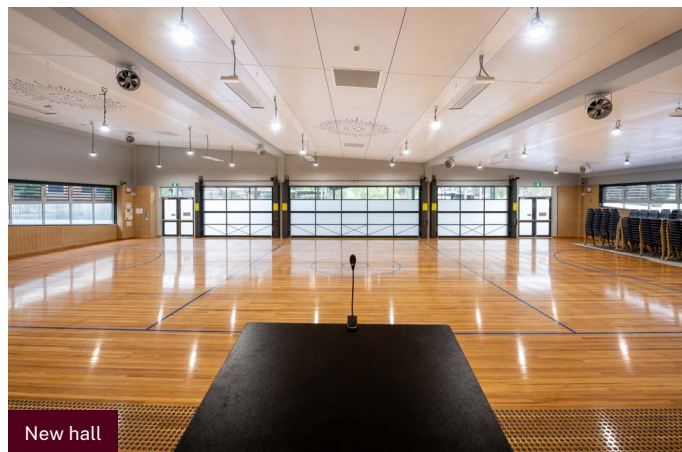

Our new teaching blocks feature 27 classrooms and additional adaptable spaces equipped with technology that will enhance student engagement and collaboration. Our new school hall will provide a versatile area to support a wide range of activities and offers new amenities for our OOSH students.

The Matthew Pearce Public School community is excited to have these new collaborative learning spaces that blend seamlessly into our existing buildings. They will assist in providing our students with a well-rounded education and prepare them for future success.

**Gae Bromwich**  
Principal

New hall

New hall

## Did you know?

- The 3 buildings are all interconnected to make circulation easy, whilst still complementing the original school layout.
- The hall connects to the existing covered outdoor learning area (COLA) to create one large, centralised gathering space.
- The classrooms all offer the latest in learning displays and technology to allow a high standard of teaching.
- Accessibility and amenities have been greatly improved for teachers and students ensuring inclusivity.
- Outdoor spaces have been enhanced with 20 new trees, bike racks and seating.
