

# Meadowbank Education and Employment Precinct

Community Update

22 November 2022

## Schools at the Meadowbank Education and Employment Precinct | **Public Domain Improvement Works**

Dear neighbours,

We are delivering a package of Public Domain Improvements works that will assist students, school staff, and visitors to access the new school buildings, as well as improve the amenity in the local area. The safety of students, school staff and the local community is the highest priority.

We are writing to inform you of lighting we are proposing to install at the pedestrian crossing on See Street, at the intersection of See Street and Macpherson Street. Please see overleaf for the location.

The lighting is for the safety of pedestrians using the crossing at night. The design of the lighting is currently in concept phase and is being developed in collaboration with City of Ryde Council, Ausgrid and Transport for NSW to ensure that the design is compliant and meets the relevant Australian Standards.

Please contact School Infrastructure NSW during business hours on 1300 482 651 with any enquiries. Thank you for your cooperation during this important work.

For more information about the project please view the webpage at <https://www.schoolinfrastructure.nsw.gov.au/>
