

Meadowbank Education and Employment Precinct

Works notification

April 2023

Schools at the Meadowbank Education and Employment Precinct | **Public Domain Improvements**

Dear neighbour

We are delivering a package of Public Domain Improvement works that will assist teachers, students and visitors to access the new school buildings, as well as improve the amenity in the local area.

The Public Domain Design has been developed in collaboration with City of Ryde Council and Transport for NSW (TfNSW) as the Authority Regulator.

The works are expected to be completed on Tuesday 18 and Wednesday 19 April 2023 from 7 am to 6 pm, pending weather and site conditions.

Bowden Street, between Squire Street and Thorn Street

The works on Bowden Street form part of the broader Public Domain Improvement and will include the repair of the raised pedestrian crossing.

Traffic, parking and access changes

There will be changes to pedestrian and vehicle access on Bowden Street and the surrounding streets as part of this work. We will ensure traffic controllers will be on site to safely direct pedestrians and vehicles around the work site. There will be temporary impacts to parking near the location of the works, including limited parking on Bowden Street, Macpherson Street and Squire Street.

This work is required to help ensure the safe movement of pedestrians and traffic on Bowden Street, Squire Street and Macpherson Street. This work has been completed in line with the design developed in consultation with and endorsed by City of Ryde Council and Transport for NSW (TfNSW).

Please refer to the map overleaf for details of these temporary changes.
