

Meadowbank Education and Employment Precinct

Works notification | 27 June 2023

Public Domain Improvements

We are delivering a package of Public Domain Improvements works that will assist students, school staff, and visitors to access the new school buildings, as well as improve the amenity in the local area. The safety of students, school staff and the local community is our highest priority.

The Public Domain Design has been developed in collaboration with City of Ryde Council and Transport for NSW (TfNSW) as the Authority Regulator.

New footpath on Hermitage Road

The design of the new footpath on the western side of Hermitage Road is now finalised with Council. Works will begin on Monday 3 July 2023, weather permitting. It is anticipated these works will be completed by early 2024.

These works will include:

- constructing a new footpath on the western side of Hermitage Road
- relocating service utilities, installing new power poles and Sydney Water pipework
- installing new kerb and guttering
- tree trimming and landscaping works
- constructing new stairs to the Sydney Water property
- installing new signage

There will be works occurring on the eastern side of Hermitage Road related to the upgrade of services. To safely complete the works Ausgrid will temporarily interrupt the electricity supply, on a date to be confirmed. Properties impacted by the temporary interruption will be notified directly by Ausgrid.

The works on Hermitage Road are a significant part of the broader Public Domain Improvements being delivered to help guide the safe movement of pedestrians and traffic along Hermitage Road and Rhodes Street.

Traffic, parking and access changes

There will be changes to pedestrian and vehicle movements along Hermitage Road from Victoria Road to Rhodes Street during the works.

Two-way traffic will be maintained, and traffic control will be in place to ensure the safe movement of pedestrians and vehicles while works are ongoing.

There will be a reduced number of parking spaces on both sides of Hermitage Road during the works. Temporary changes to traffic movements and parking will be clearly signposted and monitored by traffic controllers.

Please refer to the map below for location of these temporary changes.

Construction hours

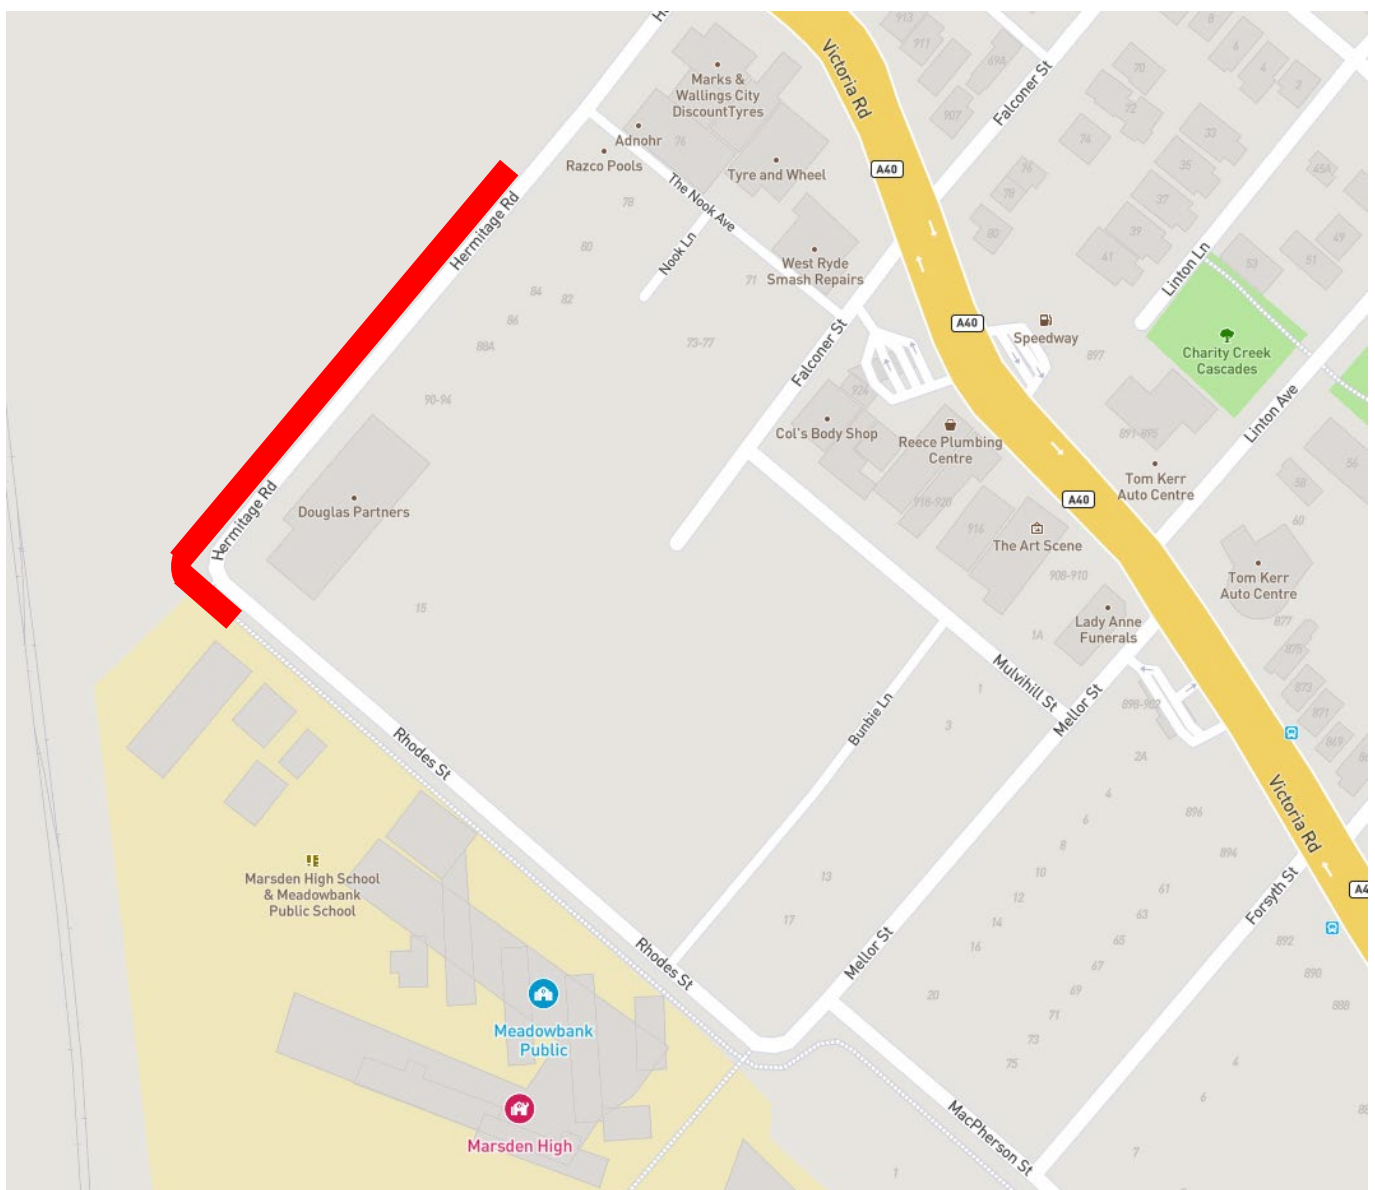

Standard working hours will be 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays unless otherwise advised.
