

Meadowbank Education and Employment Precinct

Works notification | 8 November 2023

Public domain improvements

We are delivering a package of public domain improvement works that will assist students, school staff and visitors to access the new school buildings and improve amenity in the local area. The safety of students, school staff and the local community is our highest priority.

Works to re-start Monday 13 November

As advised in our October works notification, public domain improvement works on Hermitage Road were temporarily paused due to the discovery of an undocumented inground pipe.

Works are set to re-start on Monday 13 November 2023 and will include:

- continuation of trenching for new Sydney Water watermain diversions
- new cabling for the relocation of Telstra and Optus assets
- starting construction of footings for the new footpath.

Please refer to the map overleaf for the location of works.

Traffic, parking and access changes

As previously advised, there will be changes to pedestrian and vehicle movements along Hermitage Road from Victoria Road to Rhodes Street. These changes include:

- Traffic control to ensure the safe movement of pedestrians and traffic.
- Temporary changes to traffic movements or parking, which are clearly signposted and monitored by traffic controllers.
- Impacts to parking and traffic movement in the direct vicinity of the works.

We anticipate these works will be finished in early 2024. Ongoing notices will be issued to provide regular updates and advise if there is a change to the works as a result of factors outside the control of the project.

Standard working hours will be 7 am to 6 pm Monday to Friday, and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays unless otherwise advised.

Further information

For further information about the project, please visit the website at edu.nsw.link/MEEP or scan the QR code.
