

# Meadowbank Education and Employment Precinct

Works notification | 3 April 2024

## Public domain improvements

We are delivering a package of public domain improvement works that will assist students, school staff, and visitors to access the new school buildings, as well as improve the amenity in the local area. The safety of students, school staff and the local community is our highest priority.

### Hermitage Road

Works for the new footpath on the western side of Hermitage Road have started. The relocation of new Ausgrid power poles, Jemena gas line and NBN cables are now complete.

### Upcoming works

Works to the Sydney Water assets are ongoing. New pipework has been installed ready for connection to Sydney Water's existing infrastructure. This means that Sydney Water will need to undertake works that may impact water supply on Tuesday 9 April 2024 between 8 pm and 4 am. Sydney Water has issued a separate notification to affected properties.

Once these works are complete, work on the new footpath on the western side of Hermitage Road will continue.

### Traffic, parking and access changes

As previously advised, there will be changes to pedestrian and vehicle movements along Hermitage Road from Victoria Road to Rhodes Street. These impacts include:

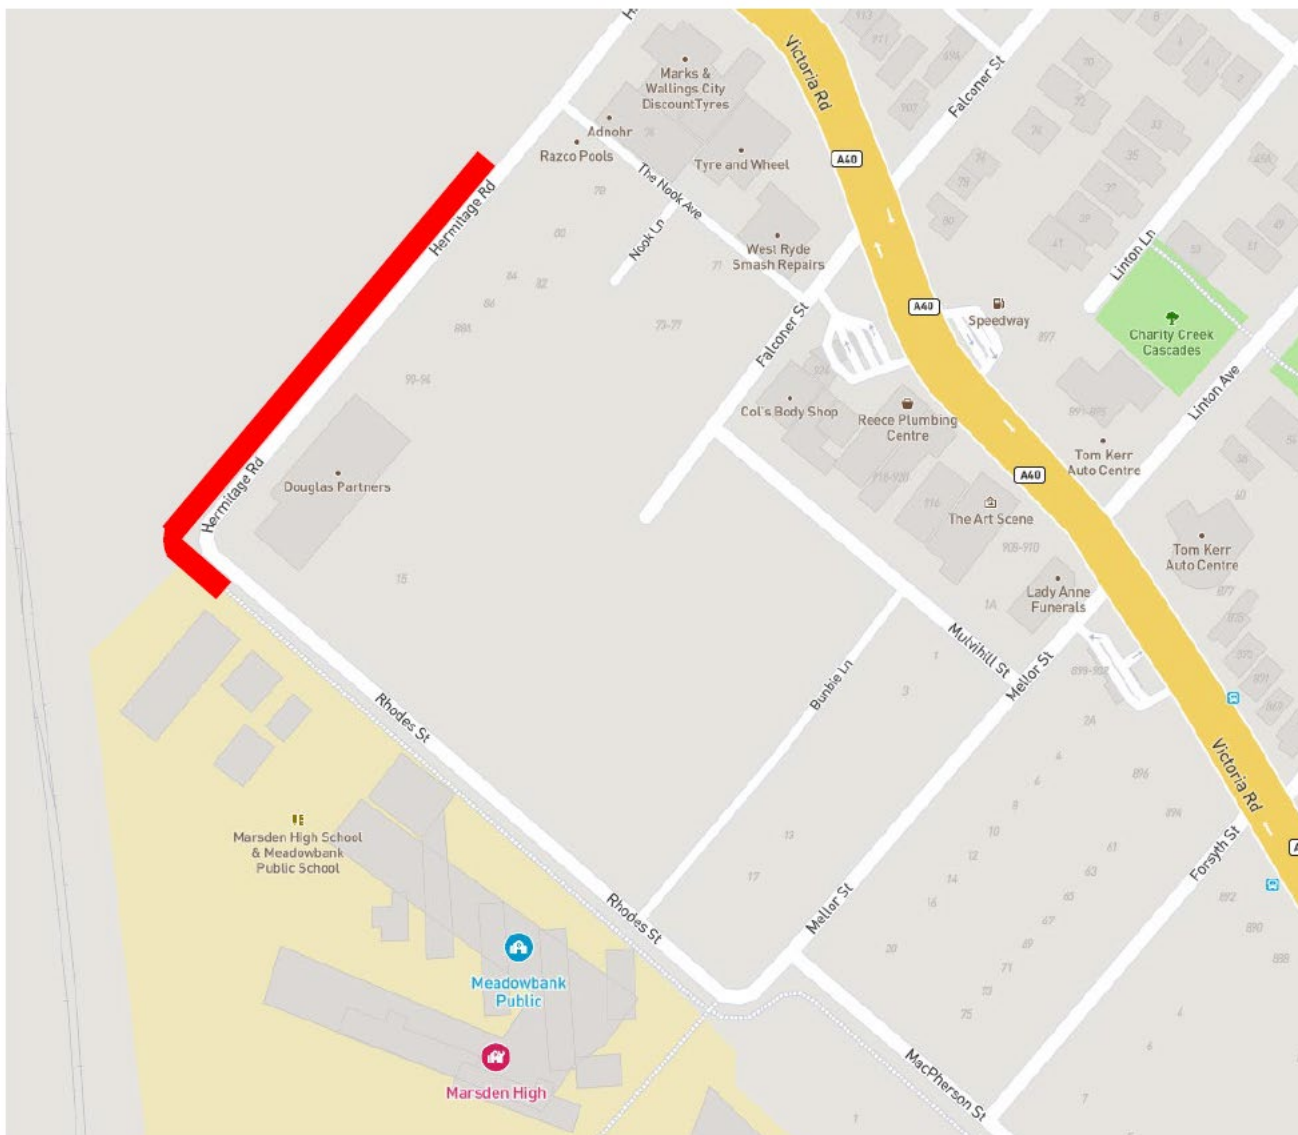

- traffic control to ensure the safe movement of pedestrians and traffic
- temporary changes to traffic movements or parking, which are clearly signposted and monitored by traffic controllers
- restrictions to parking and traffic movement in the area of the works.

Standard working hours will continue from Wednesday 10 April 2024. Work will take place between the hours of 7 am to 6 pm Monday to Friday and 8 am to 1 pm on Saturdays. No work will take place on Sundays or public holidays unless otherwise advised.

Please refer to the map overleaf for details of where these temporary works are occurring.

The map below shows the location of the public domain works in red.
