

Schools at the Meadowbank Education and Employment Precinct

Project update

November 2019

Investing in our schools

The NSW Government is investing \$6.7 billion over the next four years to deliver 190 new and upgraded schools to support communities across NSW. In addition, a record \$1.3 billion is being spent on school maintenance over five years. This is the largest investment in public education infrastructure in the history of NSW.

Schools at the Meadowbank Education and Employment Precinct

A project is underway to relocate Meadowbank Public School and Marsden High School to the Meadowbank Education and Employment Precinct, following the construction of new facilities.

The new facilities will cater for 1000 primary school students, 1500 secondary school students and a further 120 Intensive English Centre students.

The new school facilities will house the separate primary school and high school in multilevel, multi-purpose buildings with facilities seamlessly integrated into the landscape.

State Significant Development Application (SSDA)

Separate SSDAs have now been lodged with the Department of Planning, Industry and Environment for:

- Meadowbank Education and Employment Precinct Schools Project, and
- Multi-Trades and Digital Technology Hub at Meadowbank TAFE.

You can view the applications and make formal submissions by **Wednesday 20 November 2019** at planningportal.nsw.gov.au/major-projects/projects/on-exhibition.

Tender

The tender for the construction of the new primary and secondary school facilities, and the new TAFE NSW Meadowbank facilities has been released, marking the next phase in project delivery. The contract is expected to be awarded in early-2020, with construction to start following SSDA approval.

Keeping you informed

To find out more about the project and speak to the project team, we invite you to attend one of the upcoming information sessions.

At these sessions we will provide information about how the plans have changed to incorporate public feedback, updated information on the SSDAs, and next steps.

These information sessions are a drop-in format with no formal presentation. You can come at any time to talk to the project team.

Meadowbank Public School

When: Tuesday 5 November, 5pm-8pm
