Works will start on See Street where it intersects Macpherson Street from 31 March to 22 April 2022 (pending wet weather), and will include:

- Amendment to the footpaths, including widening of the ramps, on either side of See Street at Macpherson Street intersection
- Line marking for a new pedestrian crossing on See Street
- New signage and make good landscaping works.

Changes to traffic, parking and access

There will be changes to pedestrian and vehicle access at the intersection of See Street and Macpherson Street as part of these works including:

- Traffic control to ensure the safe movement of pedestrians and traffic. Any temporary changes to traffic movements or parking will be clearly signposted and monitored by traffic controllers.
- Temporary impacts to parking in the direct vicinity of the works
