New multi-purpose hall at Milperra Public School

To our community

To our community,

We would like to thank you for your patience as we delivered a new multi-purpose hall at Milperra Public School. This hall will provide the school with a stage and storage facilities.

Your support and cooperation have made it possible for us to deliver these new facilities for students and their families.

Wishing you all the best,

The School Infrastructure NSW Project Team and Milperra Public School

The hall is equipped with a range of features including lights, speakers, and storage
