Message from your Principal

We are excited to announce the completion of the Milperra Public School hall. This hall will be used for various events such as assemblies, performances and indoor learning opportunities. This hall has been designed to accommodate all students at Milperra Public School and will effectively store some new sporting equipment such as our table tennis tables. Our honor boards, including the memorial stars from deceased students, have been relocated to this space. We are all very appreciative of this new hall.
