

Millthorpe Public School

Day 1 Term 2 Welcome Pack | April 2023

Welcome to your school

We're excited that Stage 1 of the upgrade of Millthorpe Public School is finished and ready for use by students and staff.

Stage 1 of the Millthorpe Public School upgrade has delivered:

a new two-storey learning hub including **10** flexible learning spaces

a new library

maker spaces

Stage 2 will deliver:

- an upgrade of existing buildings to provide an improved administration area and new staff rooms
- an internal renovation of the heritage infants block
- new covered outdoor areas and walkways
- an upgrade to the existing COLA (including painting, new lighting and resurfacing of the court)
- additional roof cover outside the hall and canteen building.

Thank you for your patience during construction. We are thrilled to deliver this project for the school community.

Message from your Principal

On behalf of Millthorpe Public School I welcome everyone to our exciting new school upgrade. The recent investment in the school has afforded our students and staff with modern and attractive facilities, and opportunities for flexible and innovative learning.

Our 10 new classrooms, which are also known as flexible learning spaces, and new library and maker spaces allow teachers to use engaging practices across all classes, allowing for individualised learning and collaboration. The fully air-conditioned spaces also ensure students can learn in comfort all year round.

The new spacious and well-resourced two-storey learning hub will be a valuable asset to all students by providing access to emerging and innovative technologies. Children will enjoy the open design with access to high quality literature, outdoor learning spaces and the opportunity to visit the library during class and at break times.

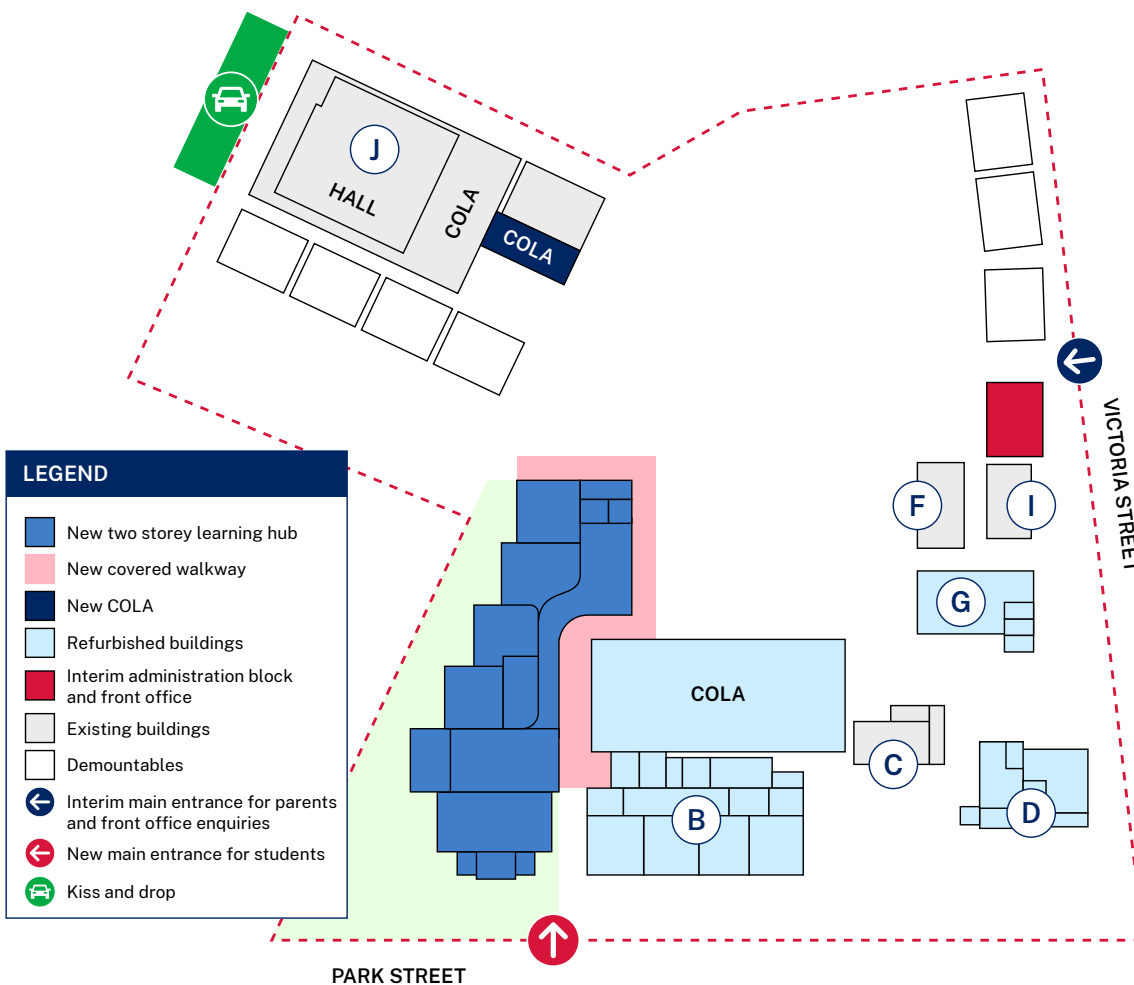

In Stage 2, upgrades to existing buildings include an improved administration area, a new staff room and an internal renovation of the heritage infants block. The upgrade to the Covered Outdoor Learning Area (COLA), the installation of new connecting walkways and landscaping will complete Millthorpe Public School's new look.

We are excited to be involved in such a building project. From planning, design, construction and delivery, Millthorpe Public School and the community have patiently watched our school transform into a modern and well-resourced school.

I would like to thank all of the people involved in realising our new facilities as we look forward to an exciting future.

Penny Granger, Principal

Flexible learning spaces

This exciting project has delivered new learning environments for the next generation of young minds. The new learning environments offer flexibility where teachers can provide more opportunities for student engagement. The learning spaces

- are adaptable to accommodate small or large groups
- provide accessibility to new technology in a variety of settings
- encourage a personalised learning experience so students learn at their own level and pace.

Flexible learning spaces

Frequently asked questions

What works are still to be finished?

Refurbishment work will begin in Term 2 on buildings B, D and G and the COLA. These works will involve internal upgrades including new paint, flooring, heating, ventilation and air conditioning, electrical services and finishes.

What are the construction hours for this project?

Standard construction hours for this project are 7 am to 5 pm Monday to Saturday. No works will take place on Sundays or public holidays, unless otherwise notified.
