

A maker space at Millthorpe Public School

Millthorpe Public School

Project update | September 2023

Project overview

A project is underway to upgrade Millthorpe Public School to bring students the latest educational facilities and support the local community.

Stage 1 of the upgrade delivered a new two-storey learning hub with 10 flexible, modern classrooms, a new library and maker spaces.

Stage 2 will deliver an upgrade of existing buildings to provide an improved administration area and a new staff room, an internal renovation of the heritage block, new covered walkway, an upgrade to the existing covered outdoor learning area (COLA) and additional roof cover outside the hall and canteen building.

Progress summary

Work on stage 2 of the school upgrade has progressed well. We are close to finishing work on the existing buildings and covered walkways.

Next steps

We will support the school to move into the upgraded buildings over the school Spring holidays (25 September to 6 October 2023).

Work on the upgraded COLA, including resurfacing the sport court, will continue in Term 4. We expect all remaining upgrade works to be finished in late 2023.

Once the upgrade is finished, all remaining demountable classrooms will be removed from the school site during Term 4.

See overleaf for important information for Day 1 Term 4 2023.

Important information for Day 1 Term 4

From Day 1 Term 4 2023:

- Park Street will be the main pedestrian entry point.
- The entry point on Victoria Street (by the demountables) will be closed to pedestrians and will be reserved for vehicular and emergency access.
- The kiss and drop zone will open on the Redmond Oval road, next to the school hall.
- The pedestrian crossing in the kiss and drop zone will allow students to safely enter and exit cars parked in Redmond oval.
- The school office will be located in the newly refurbished blue stone cottage where it was previously located.
- Aspire outside of school hours care will be located in B block. Aspire will communicate directly with parents about the new drop off and pick up arrangements.

Site plan
