

Millthorpe Public School

Works notification

December 2021

A project is underway to upgrade Millthorpe Public School to bring students the latest educational facilities and support the local community. The upgrade which includes a new two-storey learning hub will deliver 10 new flexible learning spaces, a new library, upgrades to the existing administration area and new staff rooms. There will also be internal renovations to heritage Block B.

An information session was held at the school on Monday 13 December, 2021. This outlined what the community could expect during site establishment works and how we have worked with the school to minimise disruption to students and the wider community.

Early site establishment works

In preparation for the start of main construction works in early 2022, site establishment will begin over the upcoming 2021/2022 summer holidays and will include.

- setting up of temporary fencing to establish a site boundary
- setting up of a temporary site office and construction amenities
- demolition of the existing computer lab.

Work hours

Standard work hours will be 7am to 5pm, Monday to Friday and 8am to 1pm, Saturday. No work will take place on Sundays or public holidays.

Thank you for your patience while we deliver this important school infrastructure.
